

## Parklawn North

Arion-Wall Unitized Curtainwall System

Arion-Wall Custom Unitized Fix Window Wall System

The NIAID headquarters continues to be lauded for its distinct aesthetics and commitment to sustainability. In fact, not only did this building achieve LEED Gold certification, it also won the NAIOP MD/DC Award of Excellence for Best Suburban Office or Industrial/Flex. The window openings include a thermally improved aluminum surround perimeter casing. The factory glazed fixed window was designed to integrate with this casing and terra cotta opening surrounds.
