Accq-Wall Curtainwall Framing System

Arion-Wall Unitized Curtainwall System

L'Auberge Casino & Hotel Baton Rouge, which is situated on the banks of the Mississippi River, is designed to capture the feel of a southern riverfront lodge and bayou retreat. The project is was comprised of a 12-story hotel on the land side of the river levee. Accq-Wall Curtainwall was used extensively on the lower levels, while Arion Unitized Curtainwall was provided for the guest rooms in the hotel.
